

ATC-Chief coordinator of “Inspire-2020” message

“Inspire” means to motivate. To inspire the young engineers to make progress in all dimensions(↖) of their life, every year we-people, at C.K.Pithawala College of Engineering & Technology(CKPCET), Surat, Gujarat State, India, organize the technical festival named “Inspire”.

This year, to inspire young engineers of our country, about the solutions to the pollution, we adapt the theme of the Inspire-2020, the national level technical fest, as “Be the solution, not the pollution”.

Based on the theme, one can find events of Inspire-2020 by various departments@CKPCET. The events are:

Civil: Turning ideas into action, VANQUISH, Skyward Receptacle, CYTO SPARK

Computer: ‘C’atechism, E-treasure Hunt, DB Mania, Relay coding, LAN gaming.

Electrical:Laserium, Line Follower, Circuit Samiksha, Maze Hunter.

Electronics and Communication:Death race, Bomb Diffuser, Big Capitalist, Bowling Mania

Mechanical: Junkyard wars, CAD Snapper, Inter Brains Debate Competition, Smash on

Applied science: Blind Game, The escape room, The strategic mind, Box cricket, Memespur

To have an inspired life, we welcome you, to Inspire-2020.
